

ADOPTION AND PROMULGATION OF CODE OF ETHICS FOR THE PRACTICE OF CHEMICAL ENGINEERING PROFESSION

Read online (full-text search, related cases, audio case brief): <https://batas.org/library/030861dd7b64/>

WHEREAS, the Professional Regulatory Board of Chemical Engineering, hereinafter called the Board, in Section 6(i), Art. II and Sec. 36, Art. V of R.A. No. 9297, known as the “Chemical Engineering Law of 2004”, is empowered “to adopt a Code of Ethics and Technical Standards for the practice of Chemical Engineering” or “xxx for chemical engineers to carry out the provisions of this Act,” “subject to the approval of the Commission,” which shall be effective after thirty (30) days following their publication in the Official Gazette or in a major newspaper of general circulation”;

WHEREAS, upon request of the Board, the Board of Trustees of the Philippine Institute of Chemical Engineers, Inc. (PIChE) through its Committee on the Council of Advisers, the past presidents of PIChE, prepared the Code of Ethics and submitted it to the Board; and

WHEREAS, the Board adopted the draft after finding it to have been carefully crafted as it provides adequate safeguards that will protect not only the clients, the industry, and the public but also the chemical engineers via its principles designed to maintain professional, moral, and ethical standards for the practice of the profession;

NOW, THEREFORE, the Board resolves, as it is hereby resolved, to adopt and promulgate the “Code of Ethics for the Practice of the Chemical Engineering Profession,” Annex “A”[*] to this Resolution.

Any registered and licensed Chemical Engineer who violates this Code of Ethics shall be investigated and subject to a disciplinary action of either revocation of his/her certificate of registration or suspension from the practice of his/her profession.

This Resolution shall take effect after thirty (30) days following its full and complete publication in the Official Gazette or in major newspaper of general circulation in the Philippines.

Let copy hereof be furnished to the Philippine Institute of Chemical Engineers, Inc. (PIChE) and to the Commission on Higher Education (CHED) for dissemination to all schools/colleges/universities offering the course of chemical engineering.

ABOUT BATAS.ORG

Study smarter at BATAS.org

The Philippine bar review and law-school companion built around how your brain actually remembers.

The complete Philippine law library - free for everyone.

More than 100,000 Supreme Court decisions, Republic Acts, and executive issuances - full-text searchable, browsable by category and year, and always free. No paywall, no login. This PDF came from it.

Audio case-brief lectures.

Any decision becomes a podcast-style lecture - facts, issues, ruling, and doctrine - with read-along highlighting and a hands-free presentation mode. Study while commuting, working out, or resting your eyes.

Bar review built on the science of memory.

Complete, sequenced courses for all eight bar subjects, narrated like podcasts and reinforced with retrieval practice and spaced review - the study techniques with the strongest evidence behind them.

The full law-school curriculum.

One subscription unlocks the entire J.D. curriculum - every subject, every lesson, with your progress tracked down to the paragraph so you can pick up exactly where you left off, on any device.

Mock exams that tell you where you stand.

Timed multiple-choice exams graded instantly, with per-subject score breakdowns and focus suggestions that point you at your weakest topics first.

A study planner that keeps you on pace.

Set your schedule and BATAS tells you every day whether you are on track for bar day - and exactly which lesson to take next.
