WHEREAS, in addition to the information it received from the maritime industry that MEOAP has ceased to be integrated with other associations of marine engineer officers, as mandated by law, the Board has received complaints from members of the Marine Engineer Officers Association of the Philippines, Inc. (MEOAP) that it is not complying with Resolution No. 39, series of 2008, specifically, the issuance of an official receipt as proof for payment of membership fees or dues therein but instead a computer generated provisional receipts of payment in the amount of P2,000.00/member for five-year membership validity has been practiced since January, 2009;

WHEREAS, the Board, likewise, required in the aforesaid letter of March 21, 2011 that MEOAP, an accredited and integrated professional national organization for marine engineer officers, to show proof that it has complied with the Rules specified in Resolution No. 178, series of 2004, and Resolution Nos. 362 and 363, both series of

2006, as part of the Board's recommendation to the Commission, and that it has maintained all the qualifications and none of the disqualifications for accreditation;

WHEREAS, in a letter dated March 24, 2011, instead of complying with the directive of the Board, MEOAP moved for the inhibition of the members of the former in acting on the said February 25, 2011 letter of the marine engineer officers without squarely addressing the issue raised therein; and

WHEREAS, MEOP also intimated in the aforesaid letter that it will file its answer to or comment on the letter of the Board and of the concerned Filipino Marine Engineer Officers within ten (10) days from March 21, 2011 despite the directive of the Board to reply/comment within a non-extendible period of ten (10) days from receipt of the letter of the Board; however, to date, MEOAP has failed to file their reply thereto/comment thereon.
