C. Consumables — items for consumption (i.e. for satisfying a personal need rather than for producing goods or services).

D. Light Durables — non-consumable items portable or transportable as accompanied personal baggage in the course of travel.

E. Heavy Durable — any durable item not portable or too large to be shipped as accompanied personal item in the course of travel.

As such, exportation or removal of goods from territory of zone/freeport to the other parts of the Philippine territory shall be subject to payment of corresponding taxes and duties.

G. International travellers — any individual who arrives from a foreign destination, as evidenced by a passport and passenger ticket.

H. Zone resident in secured area — Any individual who, by virtue of domicile or employment, resides on permanent basis in the secured area. The term does not include individuals who have entered into short or

long-term property lease but are not engaged in registered business activity in the zone, outsiders engaged in doing business within the zone, transients and/or weekenders.
