Be it enacted by the Senate and House of Representatives of the Philippines in Congress assembled:

SECTION 1. There is hereby granted to the Pacific Banking Corporation, its successors or assigns, a permit to construct, establish, maintain and operate in such places in the Philippines where it operates or transacts its business or renders its services, subject to the approval of the Secretary of Public Works and Communications or any licensing authority, private fixed, point-to-point, land-based and land mobile or portable radio stations for the transmission and/or reception of wireless intelligence on radio-telegraphy or radiotelephone, inclusive of but not limited to facsimile, radioteletype, nationally and/or internationally, each station to be provided with radio transmitting equipment and/or receiving equipment as necessary.

SEC. 2. The permit herein granted shall continue to be in force during the time that the grantee, its successors or assigns, conducts its business or services at the place selected by the grantee, and is granted upon the express condition that the same shall be void unless the construction or installation of at least two radio stations be begun within two years from the date of the approval of this Act.

SEC. 3. The grantee, its successors or assigns, shall not engage in domestic public telecommunications business in the Philippines, it being¹ understood that the purpose of this permit is to secure to the grantee, its successors or assigns, the right to construct, install, maintain and operate its radio stations herein granted at the places above-mentioned for the primary purpose of promoting and protecting the business and other interests of the grantee.

SEC. 4. No fees shall be charged by the grantee, as the radio stations that may be established by virtue of this Act, shall be engaged in communications regarding the grantee's business interests: Provided, however, That the grantee may allow affiliate, allied or associated companies to use any of its facilities on a non-profit basis.

SEC. 5. The grantee, its successors or assigns, is authorized to operate its radio stations herein granted in the very low frequency, low frequency, medium frequency, high frequency, very high frequency, ultra high frequency, super high frequency and extreme high frequency that shall be assigned to it by the Secretary of Public Works and Communications, or by any licensing authority.

SEC. 6. The grantee, its successors or assigns, shall so construct and operate its radio stations as not to interfere with the operation of other radio stations maintained and operated in the Philippines.

SEC. 7. The grantee, its successors or assigns, shall hold the national, provincial and municipal governments of the Philippines harmless from all claims, accounts, demands, or actions arising out of accidents or injuries, whether to property or to persons, caused by the construction or operation of its radio stations.

SEC. 8. The grantee, its successors or assigns, shall be subject to the corporation laws of the Philippines now existing or hereafter enacted.

SEC. 9. A special right is hereby reserved to the President of the Philippines in time of war, insurrection, public peril, or other national emergency and when public safety requires, to cause the closing of the grantee's radio station or stations or to authorize the temporary use or possession thereof by any department of the Government upon just compensation to the grantee for the use of said stations during the continuance of the national emergency.

SEC. 10. This permit shall be subject to amendment, alteration or repeal by the Congress of the Philippines when the public interest so requires, and shall not be interpreted as an exclusive grant of the privilege herein provided for.

SEC. 11. In the event of any individual, partnership or corporation receiving from the Congress a similar permit in which there shall be any term or terms more favorable than those herein granted, then such term or terms shall ipso facto become part of the terms hereof and shall operate equally in favor of the grantee as in the case of said individual, partnership or corporation.

SEC. 12. This Act shall take effect upon its approval.

Enacted without Executive approval, June 17, 1967.
