WHEREAS, the Foreign Agricultural Service of the United States Department of Agriculture has waived an important provision in the regulations governing the Sugar Import Licensing Program and will accept the surrender of the Certificates for Quota Eligibility (CQEs) under the Fiscal year 2001 Raw Sugar Tariff Rate Quota (TRQ) on a first-come, first-served basis in lieu of the actual shipment of raw sugar;

WHEREAS, by virtue of such waiver, the surrender of the pertinent CQE's instead of the actual shipment of raw sugar shall be considered as compliance of the Philippines and hence, will not affect our country's sugar quota in the United States;

WHEREAS, the estimated production of the current Crop Year 2000-2001 falls short of the estimated domestic demand, which will result to tightness of supply in the domestic market starting at the time when most of the sugar mills have ended its operations, up to the start of another milling operation on September or October 2001 of the new Crop year 2001 -2002;

WHEREAS, it is the mandate of the SRA that there is adequate sugar in the domestic market at prices that will be reasonably profitable to sugar producers and fair to consumers;
