The LPG Industry Association has reported the proliferation in the domestic market of illegal, dilapidated and unsafe imported used/second hand LPG cylinders.

These substandard used/second hand LPG cylinders had been reported to cause 3% of the total fire incidents in 2000-2002.

In this connection, you are hereby directed to monitor and cause the issuance of Alert/Hold Orders against all shipments of used/second hand LPG cylinders and LPG cylinders declared as scrap.

For strict compliance.
