WHEREAS, it is the policy of the Administration to afford protection to Filipino overseas contract workers, including seafarers and their families, promote their interest and safeguard their welfare;

WHEREAS, the Administration under its mandate has the power and function to secure the best terms and conditions of employment of Filipino contract workers and ensure compliance therewith;

WHEREAS, the minimum compensation and other benefits in cases of death, disability and loss or damage to crew's effects provided under the POEA Standard Employment Contract for seafarers which was revised in 1989 are now becoming very much lesser than the prevailing international standards and those given to unionized seafarers as provided by their collective bargaining agreements;

WHEREAS, the Tripartite Technical Working Group convened for the purpose of deliberating the compensation and benefits provided under the POEA Standard Employment Contract for seafarers has recommended for the upgrading of the said compensation and benefits;
