In view of the request for clarification as to the financial obligation required by the Authority in the weighing service operation, Item 7 of PPA MC No. 23-2009 is hereby amended to read, as follows:

- The CH Operator using the PPA-owned weighbridge facility is required to remit to PPA a government share of not less than 10% of their gross income derived from the weighbridge operation plus rentals of the facility.
- The CH operator using its owned weighbridge facility is required to remit to the Authority a government share of not less than 10% of their gross income derived from the weighbridge operation.

All other provisions of PPA MC NO. 23-2009 remain valid.

This amendment, however, should not prejudice any existing agreements on weighbridge operations that the CH operators forged with the PPA.

This Circular takes effect immediately.
