

## **PERITONEAL DIALYSIS SOLUTIONS: &#8220;DIANEAL PD-2&#8221; AND &#8220;DIANEAL LOW CALCIUM&#8221;**

Read online (full-text search, related cases, audio case brief): <https://batas.org/library/394299f3f6ee/>

---

Tariff Heading : 3004.90 10

Rate of Duty : 3% ad valorem

### **FINDINGS:**

"DIANEAL PD-2 PERITONEAL DIALYSIS SOLUTION" and "DIANEAL LOW CALCIUM PERITONEAL DIALYSIS SOLUTION" are sterile, nonpyrogenic, peritoneal dialysis solutions with varying dextrose concentrations of 1.5%, 2.5%, 3.5%, and 4.25%. These solutions are indicated for use in peritoneal dialysis of patients with acute or chronic renal failure - condition which is dreaded and life-threatening, as certified by the Philippine Bureau of Food and Drugs. Peritoneal dialysis is a procedure for removing toxic substances and metabolites normally excreted by the kidneys, and for aiding in the regulation of fluid and electrolyte balance. This is accomplished by instilling peritoneal dialysis fluid through a conduit into the peritoneal cavity. These solutions are packed in Ambu-Flex III containers with fill volumes of 1500, 2000, 2500 and 5000 ml. of Dianeal Low Calcium Peritoneal Dialysis Solution; or 250, 500, 750, 1000, 1500, 2000, 2500, 3000 and 5000 ml. of Dianeal PD-2 Peritoneal Dialysis Solution.

### **RULING:**

Heading No. 30.04 of the Harmonized System (HS) Tariff and Customs Code covers Medicaments (excluding goods of heading No. 30.02, 30.05 or 30.06) consisting of mixed or unmixed products for therapeutic or prophylactic uses, put up in measured doses or in forms or packing for retail sale. Subheading 3004.90 10 provides for specialized medicines for cancer, AIDS and other dread diseases.

In view thereof, subject articles are classified under subheading 3004.90 10 of the HS Tariff and Customs Code, as amended, with a rate of duty of 3% ad valorem.

All concerned should be guided and act accordingly.

Adopted: 13 Sept. 1995

(SGD.) TITUS B. VILLANUEVA

Deputy Commissioner

Chairman

Customs-SGS Imports Valuation  
and Classification Committee

### **NOTE:**

This amended Customs Tariff Circular No. 14-95 dated April 05, 1995 on the same articles due to typographical error.

**ABOUT BATAS.ORG**

# Study smarter at BATAS.org

*The Philippine bar review and law-school companion built around how your brain actually remembers.*

**The complete Philippine law library - free for everyone.**

More than 100,000 Supreme Court decisions, Republic Acts, and executive issuances - full-text searchable, browsable by category and year, and always free. No paywall, no login. This PDF came from it.

**Audio case-brief lectures.**

Any decision becomes a podcast-style lecture - facts, issues, ruling, and doctrine - with read-along highlighting and a hands-free presentation mode. Study while commuting, working out, or resting your eyes.

**Bar review built on the science of memory.**

Complete, sequenced courses for all eight bar subjects, narrated like podcasts and reinforced with retrieval practice and spaced review - the study techniques with the strongest evidence behind them.

**The full law-school curriculum.**

One subscription unlocks the entire J.D. curriculum - every subject, every lesson, with your progress tracked down to the paragraph so you can pick up exactly where you left off, on any device.

**Mock exams that tell you where you stand.**

Timed multiple-choice exams graded instantly, with per-subject score breakdowns and focus suggestions that point you at your weakest topics first.

**A study planner that keeps you on pace.**

Set your schedule and BATAS tells you every day whether you are on track for bar day - and exactly which lesson to take next.

**Start free at <https://batas.org>**

The law library is free forever - and your first lesson is one click away.
