The following guidelines regarding the use of standard motor vehicle policy and equipment floater policy forms contained in IC Circular Letter dated 21 July 1976 are hereby reiterated:

- All insurance coverages taken on a voluntary basis for motor vehicles that need compulsory third party liability insurance as a prerequisite to registration with the Land Transportation Office (LTO) must be covered by an appropriate motor vehicle policy or a land transportation operator's policy and not by an equipment floater policy; and
- Only those motor vehicles that do not require a compulsory third party liability insurance and need not be registered with LTO, may be covered by an equipment floater policy.

For strict compliance.
