BRUSELAS, JR. J.:

The petitioner filed a motion for reconsideration of our 15 September 2014 Decision that dismissed her petition for review re-asserting that she was not the author of the subject solicitation letters and that she never signed any of those, much less authorized the sending out of the same.

Since these arguments had already been raised in the petition for review and had already been considered in arriving at the decision sought to be reconsidered, the petitioner's motion for reconsideration must fail for the same reasons stated in our earlier decision.

ACCORDINGLY, we DENY the petitioner's motion for reconsideration for lack of merit.

IT IS SO ORDERED.

PJ Reyes, Jr., Chairperson and Gaerlan, JJ., concur.
