Consistent with the continuing effort of the DENR to improve the implementation of the Philippine Environmental Impact Statement (EIS) System, a rationalized and streamlined processing of ECC/CNC applications for non- ECPs located in ECAs within the Laguna de Bay Region shall initially be done at the DENR Central Office prior to the devolution to the respective regional offices. During this transition period, the EMB Central Office shall handle the processing of ECC/CNC applications and endorse to the DENR Secretary for final approval or denial. This undertaking will serve as a model for eventual process replication at the DENR Regional Offices nationwide.

Further, the EMB Central Office as well as the respective EMB Regional Offices shall be furnished a copy of all ECC/CNCs and corresponding process documents of projects issued ECCs/CNCs by the Laguna Lake Development Authority (LLDA) pursuant to DAO 2004-61 for compliance monitoring.

This Order shall take effect immediately.

Adopted: 29 July 2008
