

AN ACT AUTHORIZING THE APPROPRIATION OF FUNDS FOR BUILDINGS, FACILITIES, AND OPERATING EXPENSES OF THE INSTITUTE OF PLANNING WITHIN THE UNIVERSITY OF THE PHILIPPINES, AND FOR OT...

REPUBLIC ACT NO. 4341, June 19, 1965

Read online (full-text search, related cases, audio case brief): <https://batas.org/library/519aaded3969/>

Be it enacted by the Senate and House of Representatives of the Philippines in Congress assembled:

SECTION 1. It is hereby declared as a national policy to strengthen and assist government and local government agencies and private organizations in the study and solution of their development problems, to facilitate the realization of development proposals at all levels, to improve human settlements and their environments by the integration of social, economic, physical and administrative considerations to produce coordinated and comprehensive development studies and plans; and to make available a pool of capable professional urban and regional planners to assist in the achievement of this policy.

SEC. 2. Pursuant to this policy, the University of the Philippines is hereby authorized to establish an Institute of Planning, for which there is hereby authorized to be appropriated four hundred thousand pesos, out of the general funds of the National Treasury not otherwise appropriated, for the construction of buildings and the purchase of equipment and facilities necessary for the establishment of the Institute: Provided, however, That an additional amount of four hundred thousand pesos shall be appropriated annually under the National Economic Council budget in the General Appropriations Act over the five-year period as counterpart fund beginning with the next succeeding fiscal year for the Institute and three hundred fifty thousand pesos annually beginning with the next succeeding fiscal year for operational expenses of the Institute.

SEC. 3. An Advisory Council is hereby established composed of the Dean of the University of the Philippines Graduate School of Public Administration, the Dean of the College of Engineering, the Chief of the Division of Planning of the National Economic Council and three members to be appointed by the Board of Regents on recommendation of the President of the University of the Philippines. The Council shall advise the Institute on technical and policy matters.

SEC. 4. The different departments, agencies, and subdivisions of the Government as well as government-owned or controlled corporations of the Philippine Government are hereby authorized to utilize savings from any item or items of their appropriation to cover such fees, transportation and other necessary expenses as may be required by their respective officials and employees who shall undergo training in the Institute of Planning.

SEC. 5. The University of the Philippines may seek or obtain the services of any professional or technical personnel of any agency of the Philippine Government to provide instruction perform research, and such other activities as may be necessary for the Institute. Such personnel may be given additional compensation in the form of honoraria to be determined by the University of the Philippines upon recommendation of the Institute, any law to the contrary notwithstanding.

SEC. 6. This Act shall take effect upon its approval.

Approved, June 19, 1965.

ABOUT BATAS.ORG

Study smarter at BATAS.org

The Philippine bar review and law-school companion built around how your brain actually remembers.

The complete Philippine law library - free for everyone.

More than 100,000 Supreme Court decisions, Republic Acts, and executive issuances - full-text searchable, browsable by category and year, and always free. No paywall, no login. This PDF came from it.

Audio case-brief lectures.

Any decision becomes a podcast-style lecture - facts, issues, ruling, and doctrine - with read-along highlighting and a hands-free presentation mode. Study while commuting, working out, or resting your eyes.

Bar review built on the science of memory.

Complete, sequenced courses for all eight bar subjects, narrated like podcasts and reinforced with retrieval practice and spaced review - the study techniques with the strongest evidence behind them.

The full law-school curriculum.

One subscription unlocks the entire J.D. curriculum - every subject, every lesson, with your progress tracked down to the paragraph so you can pick up exactly where you left off, on any device.

Mock exams that tell you where you stand.

Timed multiple-choice exams graded instantly, with per-subject score breakdowns and focus suggestions that point you at your weakest topics first.

A study planner that keeps you on pace.

Set your schedule and BATAS tells you every day whether you are on track for bar day - and exactly which lesson to take next.
