The balances of appropriations remaining available for withdrawal, as herein provided, and the balances of appropriations in Act Numbered Three hundred and thirty and subsequent Acts are hereby made available for withdrawal in local currency at the ratio for the current quarter, except such appropriations as may have been made payable in United States currency. Nothing in this paragraph is to be construed as authorizing the payment of any amount in local currency in excess of the amount originally made payable in such local currency for a specific purpose by the Act appropriating the money for the payment thereof.

SEC. 5. The public good requiring the speedy enactment of this appropriation bill, the passage of the same is hereby expedited in accordance with section two of "An Act prescribing the order of procedure by the Commission in the enactment of laws," passed September twenty-sixth nineteen hundred.

SEC. 6. This Act shall take effect on its passage.

Enacted, April 12, 1902.
