Whereas, such a condition, if true, is conducive to unrest among the people affected and would ultimately result in grave menace to public peace and order, to the great detriment of the progress of the sugar industry;

Now, therefore, pursuant to the authority vested in me by Commonwealth Act Numbered One hundred and three, I, Manuel L. Quezon, President of the Philippines, do hereby order and direct the Court of Industrial Relations to make an immediate investigation and examination of all pertinent facts in relation with the sugar industry, and after such investigation in accordance with the aforesaid Act, to determine the necessity and fairness of fixing and adopting a minimum wage or share for laborers and tenants working in the sugar-producing areas according to the conditions obtaining in each locality and to fix such minimum wage or share, and to submit to the President its decision thereon for approval in the manner provided by said Act.

Done at the City of Manila, this twenty-second day of January, in the year of Our Lord, nineteen hundred and thirty-seven, and of the Commonwealth of the Philippines, the second.
