This is to reiterate Memorandum Circular No. 02, Series of 2003 regarding the deployment of Filipino seafarers via Philippine waterports and seaports.

Some enrolled vessels of accredited foreign shipowners and principal call on Philippine ports where embarkations of replacement and/or additional crew are occasionally done.

For the Administration to monitor accurately the deployment of Filipino seafarers, licensed manning agencies processing employment contracts of seafarers, whether in-house or on a regular processing scheme, with incidences of crew embarkation via seaports and waterports are required to submit reports of embarkation to the Seabased Employment Accreditation and Processing Center (SEAPC).

Please be guided accordingly.
