On the occasion of the official visit to Italy of the President of the Republic of the Philippines, H.E. Corazon Aquino on 16th - 17th of June 1988, talks took place on social security as a matter of priority between the two countries.

To this effect the Government of the Philippines and the Government of Italy desiring of further strengthening their friendly relations and mutual cooperation, being conscious of the importance of their citizens living in the territory of the other State, have decided that between the Republic of the Philippines and the Republic of Italy an agreement on social security should be negotiated.

In order to facilitate the achievement of such an agreement the two Governments have also decided that discussions on the above mentioned matter will be held as soon as possible either in Rome or in Manila.

Done in Rome on 17th June 1988 in two original copies, each in English and in Italian, both being equally authentic.
