Whereas, carjacking is now an immediate concern of law enforcement agencies;

Whereas, pursuant to the provisions of R.A. 4136, otherwise known as the “Land Transportation and Traffic Code”, specifically Section 18 thereof, and Memorandum Circular No. 84MC-DIR-002, dated 03 January 1984, the following guidelines have already been set forth for the compliance of all motor vehicle owners regarding the proper installation for easy identification of license plates and validating stickers, to wit:

“Sec. 18, R.A. 4136 Use of License Plates – At all times, every motor vehicle shall display in conspicuous places, one in front and one in the rear thereof, the said license plates.”

“The aforesaid license plates shall be kept clean and cared for, and shall be firmly affixed to the motor vehicle in such a manner as will make it entirely visible and always legible. xxx.”

“Sec. I, M.C. No. 84MC-DIR-002”

“Placement of the Year Tag Stickers – the year tag stickers shall be placed on the bottom right rectangular slot specifically designed in the plate for the purpose. All other old stickers found on the space provided therein shall be removed to avoid confusion, and to make motor vehicles easily recognizable, entirely visible and always legible for the public and law enforcement officers.”

Wherefore, all Law Enforcement Officers and Deputized Agents of this Office are hereby directed to immediately apprehend all motor vehicles found violating the above-quoted provisions in accordance with the adopted rules of

Apprehension.
