

RULES AND REGULATIONS AUTHORIZING THE INCREASE AND COLLECTION THEREOF OF ADMINISTRATIVE AND REGULATORY/SERVICE FEES

Read online (full-text search, related cases, audio case brief): <https://batas.org/library/76113ec79ca3/>

Pursuant to Malacañang Memorandum Circular No. 121 as implemented by the Department of Finance Order No. 66-90, all departments, bureaus, commissions, agencies, offices and instrumentalities of the national government, including government owned or controlled corporations, have been directed to revise their fees and charges at just and reasonable rates to cover administrative costs.

Corollary thereto, and in order to upgrade the quality or regulatory services and facilities, to meet the inflationary cost thereof and to maintain an efficient and effective performance of essential regulatory functions, the following revised fees are hereby adopted and prescribed pursuant to PCA Board Resolution No. 057-92, authorizing the increase and collection of Administrative and Regulatory Service Fees:

SECTION 1. Classes of Fees — The classes of fees refer to existing fees authorized under Administrative Order No. 001, Series of 1982, which are the following:

- Registration Fee
- Moisture Meter Supervisory Fee
- Export Processing Fee
- Laboratory Analysis Fee
- Inspection and Supervisory Fee

SECTION 2. New Rates of Fees — Upon effectivity of these rules, the revised schedule of rates herein prescribed shall be collected by the Authority.

ABOUT BATAS.ORG

Study smarter at BATAS.org

The Philippine bar review and law-school companion built around how your brain actually remembers.

The complete Philippine law library - free for everyone.

More than 100,000 Supreme Court decisions, Republic Acts, and executive issuances - full-text searchable, browsable by category and year, and always free. No paywall, no login. This PDF came from it.

Audio case-brief lectures.

Any decision becomes a podcast-style lecture - facts, issues, ruling, and doctrine - with read-along highlighting and a hands-free presentation mode. Study while commuting, working out, or resting your eyes.

Bar review built on the science of memory.

Complete, sequenced courses for all eight bar subjects, narrated like podcasts and reinforced with retrieval practice and spaced review - the study techniques with the strongest evidence behind them.

The full law-school curriculum.

One subscription unlocks the entire J.D. curriculum - every subject, every lesson, with your progress tracked down to the paragraph so you can pick up exactly where you left off, on any device.

Mock exams that tell you where you stand.

Timed multiple-choice exams graded instantly, with per-subject score breakdowns and focus suggestions that point you at your weakest topics first.

A study planner that keeps you on pace.

Set your schedule and BATAS tells you every day whether you are on track for bar day - and exactly which lesson to take next.

Start free at <https://batas.org>

The law library is free forever - and your first lesson is one click away.
