SECTION 1. Memorandum Circular No. 5, Series of 1990, "Guidelines on the Cutting of Mangrove Tree Species within Approved FLA Areas" - is hereby amended to read as follows:

The cutting of mangrove species, including nipa palm, within existing Fishpond Lease Agreement (FLA) areas is allowed pursuant to Sections 4 and 7 of DENR Administrative Order No. 15 dated February 1, 1990 subject to the following conditions:

- 1.1 No cutting of trees within duly approved FLA areas shall be allowed without the benefit of a cutting permit issued by the DENR;
- 1.2 The area to be cleared for fishpond development shall be part of the approved development plan for the FLA.;
- 1.3 No cutting permit shall be issued if five (5) or more years have elapsed since the date of issuance of the FLA;
- 1.4 Buffer zones of mangrove forest 50 meters wide fronting the seas, oceans and other bodies of water and 20 meters wide on both sides of river channels/banks must be maintained and/or developed in and around fishpond areas pursuant to P.D. 705 and Ministry Administrative Order No. 42, Series of 1986;
- 1.5 Mangrove wood cut in FLA areas under a cutting permit shall be turned over to the DENR for disposition through public bidding, with the permittee/FLA developer having the right to equal the highest bid within three working days after the date of bidding;
- 1.6. An area equivalent to the aggregate area clear-cut under the permit shall be planted with mangrove species and maintained for three (3) years with eighty percent (80%) survival by the FLA developer at the FLA developer's expense; and
- 1.7. Performance Bonds shall be put up by the permittee/FLA developer equivalent to the estimated value of the mangrove wood to be gathered and the estimated cost of reforestation and maintenance.

SECTION 2. This Circular takes effect immediately.

Adopted: 5 Dec. 1990

ABOUT BATAS.ORG

Study smarter at BATAS.org

The Philippine bar review and law-school companion built around how your brain actually remembers.

The complete Philippine law library - free for everyone.

More than 100,000 Supreme Court decisions, Republic Acts, and executive issuances - full-text searchable, browsable by category and year, and always free. No paywall, no login. This PDF came from it.

Audio case-brief lectures.

Any decision becomes a podcast-style lecture - facts, issues, ruling, and doctrine - with read-along highlighting and a hands-free presentation mode. Study while commuting, working out, or resting your eyes.

Bar review built on the science of memory.

Complete, sequenced courses for all eight bar subjects, narrated like podcasts and reinforced with retrieval practice and spaced review - the study techniques with the strongest evidence behind them.

The full law-school curriculum.

One subscription unlocks the entire J.D. curriculum - every subject, every lesson, with your progress tracked down to the paragraph so you can pick up exactly where you left off, on any device.

Mock exams that tell you where you stand.

Timed multiple-choice exams graded instantly, with per-subject score breakdowns and focus suggestions that point you at your weakest topics first.

A study planner that keeps you on pace.

Set your schedule and BATAS tells you every day whether you are on track for bar day - and exactly which lesson to take next.
