3. Application of the new agent for the transfer of accreditation.
4. Affidavit of assumption of responsibility by the transferee agent.

II. Action on the Application for Transfer of Accreditation

1. Upon receipt of application for the transfer of accreditation, the Administration shall notify the previous agency of such application.
2. The Administration shall act on the request for transfer of accreditation upon submission of all requirements by the new transferee agency.
3. All actions on the applications for transfer shall be without prejudice to any actions, administrative or otherwise, that may be instituted by the former agent against the principal.

All issuances inconsistent herewith including those issued for special markets are hereby modified or superseded accordingly.
