Article VII

REGISTRATION AND ISSUANCE OF CERTIFICATES OF REGISTRATION, COMPETENCY AND ENDORSEMENT

SECTION 28- Registration of Successful Examinees; Issuance of Certificates of Registration, Competency and Endorsement- An examinee who passed the licensure examination shall, unless specifically deferred for cause by the Board, be registered after taking the oath of a professional before the Board or any government official or person authorized by law to administer oaths and payment of the prescribed fees. Upon compliance with the other requirements for registration prescribed by the Board and the Commission, the name of the professional shall be entered/enrolled in the Roll of Marine Deck Officers and shall be issued Certificate of Registration which shall bear the signatures of the Chairman and members of the Board and the Chairman of the Commission with the official seal of the Board.

A marine deck officer shall likewise be issued a Certificate of Competency bearing his registration number signed by the Chairman of the Board and an Endorsement Certificate bearing his registration number signed by the Chairman of the Commission, attested by the official seal of the Board and the Commission, respectively, indicating therein the date of issuance and date of expiration.

The Endorsement Certificate shall be issued in a separate document, the form to be used shall be that set forth in paragraph 2 of Section A-I/2 of the STCW Code, while the Certificate of Competency shall be that set forth in paragraph 1 of Section A-I/2 of the STCW Code.

The Endorsement Certificate shall be assigned a unique number, and shall expire as soon as the Certificate endorsed expires or is withdrawn, suspended or cancelled by the Board and, in no case, not more than five years from date of issue.

A marine deck officer applying for an endorsement of his certificate as required by Article VI of the STCW Convention to attest the issue of Certificate must prove, by means of documents, that all relevant requirements of the Convention listed in Regulation I/9 have been complied with.

The Certificates of Registration shall be in the Filipino language with English translation while the Certificate of Competency and Endorsement Certificate shall be in the English language.

The capacity in which the holder of a certificate is authorized to serve shall be identified in the form of endorsement in terms identical to those used in the applicable safe manning requirements of the administration.

Every Marine Deck Officer shall be assigned a permanent registration number which shall appear in his new Certificate of Registration, Certificate of Competency and Endorsement Certificate. However, he shall retain his original date of registration in his present grade/rank in accordance with the guidelines to be adopted by the Board and approved by the Commission.

Non-holders of Certificates are prohibited to perform functions requiring a Certificate.

The Board, pursuant to Regulation I/9 of the 1978 STCW Convention, as amended, shall:

1. Maintain a register or registers of all certificates and endorsements for masters and officers which are issued, have expired or have been revalidated, suspended, cancelled or reported lost or destroyed and of dispensations issued; and
2. Make available information on the status of such certificates, endorsements, dispensations and medical details, including the photograph of the marine officer, to other parties and companies which request verification of the authenticity and validity of certificates produced to them by seafarers seeking recognition of their certificates under Regulation No. 1/10 or employment on board ship.

SECTION 29. Revalidation of Certificates. -A marine deck officer holding a certificate issued or recognized under any chapter of the STCW Convention other than Chapter VI thereof, who is serving at sea or intends to return to sea after a period ashore, shall, in order to continue to qualify for seagoing service, be required at intervals not exceeding five years to:

- A. Meet the standards of medical fitness prescribed by Regulation I/9; and
- B. Established continued professional competence in accordance with Section A-I/11 of the STCW Code and the Continuing Professional Education (CPE) required by the Board.

A marine deck officer shall, for continuing seagoing service on board ships for which special training requirements have been internationally agreed upon, successfully complete approved relevant training.

The Board shall compare the standards of competence which it required of candidates for certificates issued before 1 February 2002 with those specified for the appropriate certificate in Part A of the STCW Code, and shall determine the need for requiring the holders of such certificates to undergo appropriate refresher and updating training or assessment.

A comparison of standards between the 1978 STCW Convention and the 1995 amendments thereto, has shown that the upgrading to be done for masters and deck officers holding STCW 78 certificates, includes training or demonstrating competence by assessment in:

- the use of radar and ARPA by means of a simulator.
- the use of electronic chart display and information systems(ECDIS).
- the use of integrated bridge systems.
- the application of constant rate-of-turn techniques to navigation in restricted waters.
- the application of bridge resource management principles.
- the application of advanced fire-fighting principles and techniques for fighting fires aboard ships.

Training to achieve proficiency in these functions and/ or assessment of satisfactory competence, as appropriate, will be arranged in modules for officers with the relevant baccalaureate degree seeking the issue of a 1995 STCW certificate.

All certificates and endorsements which entitle the holder to serve as master or officer on seagoing ships are required to be revalidated under Regulation 1/11 at intervals of no longer than five (5) years, provided that the holders of these certificates can show continued professional competence and medical fitness. Revalidation shall be done by using new certificates and endorsements. This requirement concerns:

1. Certificates issued under the provisions of the 1978 STCW Convention - Chapters II, III and IV.
2. Certificates issued under the provisions of the 1978 STCW Convention, as amended in 1995 - Chapters II, III and IV.

Continued professional competence shall be established as set out in Section A-I/11, paragraph 1 of the STCW Code and presentation of required Continuing Professional Education (CPE) credit units earned.

If certificates and endorsements are revalidated for service beyond 01 February 2002, the holders of the certificates and endorsements should meet the standards of the 1995 STCW amendments-Masters and deck officers holding 1978 STCW certificates, in order to be issued an appropriate certificate under the 1995 STCW Convention, shall have to undergo refresher and updating training or assessment in the following areas:

1. monitoring and controlling compliance with legislative requirements and measures regarding safety of life at sea and protection of the marine environment, and using recommended measures and procedures for personnel management and shipboard training;
2. using correct techniques for fire-fighting with particular emphasis on applying proper tactics for organizing and commanding fire-fighting teams fighting fires in open and confined spaces;
3. coordinating search and rescue operations including the uses of radio communication equipment (or simulator) and ARPA simulator;
4. using international regulations, standards, codes and recommendations to ensure safe handling and carriage of dangerous goods and hazardous materials; and
5. using the International Medical Guide for Ships and the Medical First Aid Guide for Use in Accidents Involving Dangerous Goods to organize and manage the provisions of medical case on board.
