ARTICLE II

The two Governments shall give special attention to the organization and realization of collective trips and the sending and reception of groups, particularly regarding social tourism, granting them the utmost facilities possible.

The Government of the Philippines shall give preference to offers which the Spanish Government may make towards studies or projects on tourism development, as well as, in time, the offers of studies, projects and supply of equipment that may be made by Spanish firms or the bringing about of related works with the execution or setting into motion of the said projects.

ARTICLE VI

The High Contracting Parties shall make available reciprocally teaching plans on matters of tourism to perfect the training of their technical and specialized personnel, to try to reach an eventual agreement in the programs and courses on tourism and, in time, to recognize the equivalence of degrees obtained in either country. ARTICLE VII Both Governments, within their means, shall offer educational grants and scholarships to pursue, in either country, technical courses on tourism, establishing annually by common agreement the number and conditions of the same.
