

REVISED GUIDELINES FOR TANKERS AND BARGES CARRYING OIL AND PETROLEUM PRODUCTS

Read online (full-text search, related cases, audio case brief): <https://batas.org/library/8d88d4e96288/>

In view of recent developments and the need to harmonize the policies and requirements currently enforced by this Authority on the operation of domestic tankers and barges carrying oil and petroleum products, to ensure safety of life and property at sea and the protection of the marine environment, the Maritime Industry Board, in its 141st Regular Meeting, approved and adopted the following:

I

Oil Pollution Cover

Oil tankers and barges engaged or to be engaged in the carriage of oil and petroleum products shall be covered by a recognized insurance company/ies, Protection & Indemnity Clubs, or their equivalent, against oil/marine pollution risks for not less than the limits set under the Civil Liability Convention for Oil Pollution of 1992 (CLC 92), following the country's accession thereto and subsequent entry into force on 07 June 1998. For tankers and barges 5,000 gross tons or less, the limit shall be 3 million Special Drawing Rights (SDR). For tankers and barges above 5000 gross tons, the limit shall be 3 million SDR plus an additional insurance cover of 420 SDR per tonnage in excess of 5,000 GT.

II

Third Party Liability Cover

A Liquefied Petroleum Gas (LPG)/Liquefied Nitrogen Gas (LNG) carrier shall be covered against third party liability in the amount equivalent to US\$2 million to be secured from a licensed insurance company/ies, recognized Protection and Indemnity Clubs, or their equivalent.

III

Classification Requirement

All LPG carriers, as well as tankers and barges 500 gross tons and above, whether existing or coming into the present system, shall be classed and class-maintained by a classification society recognized by the government.

Tankers and barges below 500 gross tons however, need not be classed but shall pass MARINA survey and inspection and have valid Certificate of Inspection.

IV

Capitalization

The required minimum paid-up capital of P 5.0 million, in addition to the financial capability requirement, shall be applied to operators of LPG/LNG carriers, as well as tankers and barges carrying oil and petroleum products.

V

Issuance of CPC/PA

The Maritime Industry Authority (MARINA) shall not act on applications for issuance of Certificate of Public

Convenience or temporary authorities (i.e., Provisional Authority to Operate, Special Permits) unless and until the foregoing requirements shall have been complied with, save on meritorious cases where public/national interest would be affected as determined by the MARINA.

VI

Repealing Clause

Any provisions of existing MARINA circulars, rules and regulations inconsistent herewith are hereby repealed or modified accordingly.

VII

Effectivity

This Memorandum Circular shall supersede Memorandum Circular No. 56 and 56-A and shall take effect fifteen (15) days after its publication once in a newspaper of general circulation.

Adopted: 18 Feb. 1998

ABOUT BATAS.ORG

Study smarter at BATAS.org

The Philippine bar review and law-school companion built around how your brain actually remembers.

The complete Philippine law library - free for everyone.

More than 100,000 Supreme Court decisions, Republic Acts, and executive issuances - full-text searchable, browsable by category and year, and always free. No paywall, no login. This PDF came from it.

Audio case-brief lectures.

Any decision becomes a podcast-style lecture - facts, issues, ruling, and doctrine - with read-along highlighting and a hands-free presentation mode. Study while commuting, working out, or resting your eyes.

Bar review built on the science of memory.

Complete, sequenced courses for all eight bar subjects, narrated like podcasts and reinforced with retrieval practice and spaced review - the study techniques with the strongest evidence behind them.

The full law-school curriculum.

One subscription unlocks the entire J.D. curriculum - every subject, every lesson, with your progress tracked down to the paragraph so you can pick up exactly where you left off, on any device.

Mock exams that tell you where you stand.

Timed multiple-choice exams graded instantly, with per-subject score breakdowns and focus suggestions that point you at your weakest topics first.

A study planner that keeps you on pace.

Set your schedule and BATAS tells you every day whether you are on track for bar day - and exactly which lesson to take next.
