1.0 RATIONALE

The No Physical Contact Policy where images of traffic violators are captured thru the use of digital camera, was approved by the Metro Manila Council on November 07, 2002 by virtue of MMDA Resolution No. 02-49 to avoid corruption and also to improve the traffic flow in Metro Manila.

In May 2005, however, the implementation of the said policy was discontinued due to constitutional infirmity found by the Regional Trial Court, Branch 145, Makati City, with regard to its implementing Guidelines contained in Memorandum Circular No. 05, S. 2003 and Memorandum Circular No. 05, S. 2003 and Memorandum Circular No. 010 dated October 28, 2003. also issued for the adoption of the same.

The re-implementation of the No Physical Contact Policy and its noble objective can never be realized unless the constitutional infirmity being referred to by the Court is rectified. It is in this context that the Implementing Guidelines issued thru Memorandum Circular No. 05, Series of 2003 and Memorandum Circular No. 010, S. 2003 are being revised.
