Be it enacted by the Senate and House of Representatives of the Philippines in Congress assembled:

SECTION 1. Section three of Commonwealth Act Numbered Five hundred and two, as amended, is hereby further amended to read as follows:

"SEC. 8. Boundaries.—The boundaries and limits of the territory of said city, containing the total areas of fifteen thousand three hundred fifty-nine hectares, more or less, are established and prescribed as follows: Beginning at a point marked "1", which is the northwestern corner of the boundary of Quezon City, thence due north 660.00 m. to point "2"; thence N. 43 deg. 30' E., 3,680.00 m. to point "3"; thence N. 18 deg. 00' W., 3,200.00 m. to point "4"; thence N. 45 deg. 00' E., 4,100.00 m. to point "5"; thence due east 4,200.00 m. to point "6"; thence following the boundary line of the Novaliches watershed reservation to point "7"; thence S. 68 deg. 00' E., 900.00 m. to point "8", which is the center of Marikina River; thence following the center of the downstream course of Marikina River to point "9", which is the intersection of the Arroyo and Marikina River; thence upstream following Arroyo between Payatas and Marikina estates to point "10, which is 100.00 m. to north of the pipe line and which is the corner of Quezon City; thence following the northern boundary of Quezon City to point of beginning; and the territory described as follows: Beginning at a point marked "1" which is identical to boundary monument No. 1, Piedad Estate; thence to point "2", which is boundary monument No. 2 of Piedad Estate; thence downstream following the Arroyo between Payatas Estate and Marikina Estate to point "3", which is 100 meters north of water pipe line of the Metropolitan Water District; thence flowing the ridge southwestward to point "4", where the water pipe line crosses the ravine; thence following the ridge southwestward to point "5", which is boundary mon-ument No. 25 of Marikina Estate southward to point "6", which is the junction of the Marikina River and Marikina Estate; thence downstream following the Marikina River to point "7", which is the crossing of Marikina River by the old Rosario Road; thence westward following the old Rosario Road to point "8", which is the intersection of the old Rosario Road with the eastern right of way of the circumferential road (Highway 54) ; thence northwestward following the eastern right of way of the circumferential road to point "9", which is the crossing of the said road by the Santolan Road (northern right of way of the Santolan Road) ; thence westward following the northern right of way of the Santolan Road to point "10", which is the crossing of the said road with the Salapan Creek; thence downstream following the Salapan Creek to point "11", which is the junction of Salapan Creek and Dario River; thence southward following the Salapan Creek to its intersection with the east boundary of the City of Manila to point "12"; thence northwestward following the east boundary of the City of Manila to point "13", near La Loma Cabaret, which is a corner of the boundary of the City of Manila near the entrance of the North Cemetery; thence northward following the boundary of the City of Manila to point "14", which is the northeast corner of said city; thence westward along said City of Manila boundary at a distance of 100 meters to point "15"; thence northward paralleling the Novaliches Road to a distance of 100 meters from the property line on the side of said road to point "16", which is at a distance of 100 meters north of the crossing of Samson Street (road connecting Balintawak Monument with Bonifacio Monument); thence eastward paralleling Samson Street and the circumferential road at a distance of 100 meters on the north side of said street and road to point

"17", which is the center of the Culiati Creek; thence upstream following the Culiati Creek to point "18", which is the junction of Pasong Tamo River and Culiati Creek; thence upstream following Pasong Tamo River to point "19," which is the junction of Pasong Tamo River and Pinagpatayan Buaya Creek; thence to point of beginning."

SEC. 2. This Act shall take effect upon its approval.

Approved, June 18, 1949.

ABOUT BATAS.ORG

Study smarter at BATAS.org

The Philippine bar review and law-school companion built around how your brain actually remembers.

The complete Philippine law library - free for everyone.

More than 100,000 Supreme Court decisions, Republic Acts, and executive issuances - full-text searchable, browsable by category and year, and always free. No paywall, no login. This PDF came from it.

Audio case-brief lectures.

Any decision becomes a podcast-style lecture - facts, issues, ruling, and doctrine - with read-along highlighting and a hands-free presentation mode. Study while commuting, working out, or resting your eyes.

Bar review built on the science of memory.

Complete, sequenced courses for all eight bar subjects, narrated like podcasts and reinforced with retrieval practice and spaced review - the study techniques with the strongest evidence behind them.

The full law-school curriculum.

One subscription unlocks the entire J.D. curriculum - every subject, every lesson, with your progress tracked down to the paragraph so you can pick up exactly where you left off, on any device.

Mock exams that tell you where you stand.

Timed multiple-choice exams graded instantly, with per-subject score breakdowns and focus suggestions that point you at your weakest topics first.

A study planner that keeps you on pace.

Set your schedule and BATAS tells you every day whether you are on track for bar day - and exactly which lesson to take next.
