Please be reminded that pursuant to Presidential Decree 1986 and the MTRCB Rules and Regulations promulgated pursuant thereto, only television shows and programs with GP classification (General Patronage) are authorized for showing on television at any time of the day and those with PG classification (Parental Guidance), only from 9:00 o'clock in the evening up to late in the night. Films and programs carrying the R (For Adults) and X (not for public viewing) classifications are not allowed for television broadcast.

There have been reports that some television stations are airing adult programs during the late night time hours. This will serve as a warning that such practice will be severely penalized.

We look forward to your compliance.
