ADMINISTRATIVE CIRCULAR NO. 42-2006, April 27, 2006

Read online (full-text search, related cases, audio case brief): <https://batas.org/library/976f65f644cb/>

The Supreme Court recognizes that the advent of new technologies requires that personnel skills be improved to maximize the use and benefit of modern equipment. Knowledge on important computer programs, for instance, will allow users to speed up, systematize and put creative touches in their work.

It is therefore important that the knowledge of select Court employees on digital imaging and multi-media software program applications and techniques be continuously updated to help improve their Information, Education and Communication functions.

In view of the foregoing, a series of trainings will be conducted by the Philippine Center for Creative Imaging from May 2 to 30, 2006, 9:00 am to 5:00 pm, at the Training Room, Supreme Court Centennial Building.

The identified Supreme Court personnel are authorized to attend the following training programs:
