WHEREAS, the Macapagal - Arroyo administration has put forward a series of sweeping reform packages that, taken together, will fundamentally capitalize on the country's strengths and develop areas which need improvement;

WHEREAS, tourism in the Philippines is a sector with strong growth potential;

WHEREAS, to foster further the country's growth, the Macapagal-Arroyo administration will expand infrastructure development and encourage greater investments all over the country such as tourism investments in tourists-attractive areas in Central Philippines;

WHEREAS, Central Philippines consists of the Visayan provinces and Palawan, Bicol, and the northern Mindanao islands of Siargao, Camiguin and Dapitan;
