

CREATING A SCIENCE ADVISORY COMMITTEE

EXECUTIVE ORDER NO. 141, December 08, 1955

Read online (full-text search, related cases, audio case brief): <https://batas.org/library/a7e734003374/>

In order to coordinate the work and efforts of scientists and technologists in the Philippines to the end that our country and people may derive greater benefits from achievements in the field of science and technology, I, Ramon Magsaysay, President of the Philippines, do hereby create a Science Advisory Committee composed of the following:

Dr. M. V. Arguelles, Science Foundation of the Philippines Chairman and Science Liaison Officer

Dr. Juan Salcedo, Jr., Institute of Science and Technology Member

Dr. Vidal A. Tan, National Research Council Member

Dr. Eduardo Quisumbing, Philippine Association for the Advancement of Science Member

Dr. Ramon R. Angeles, Philippine Confederation of Professional Organizations Member

The Committee shall advise the President on the solution of problems requiring scientific and technical knowledge and on the implementation of the provisions of the Constitution relating to the promotion of scientific research and inventions and to the creation of scholarships in science for specially gifted citizens.

Done in the City of Manila, this 8th day of December, in the year of Our Lord, nineteen hundred and fifty-five, and of the Independence of the Philippines, the tenth.

(Sgd.) RAMON MAGSAYSAY
President of the Philippines

By the President:
(Sgd.) MARIANO YENKO, JR.
Assistant Executive Secretary

ABOUT BATAS.ORG

Study smarter at BATAS.org

The Philippine bar review and law-school companion built around how your brain actually remembers.

The complete Philippine law library - free for everyone.

More than 100,000 Supreme Court decisions, Republic Acts, and executive issuances - full-text searchable, browsable by category and year, and always free. No paywall, no login. This PDF came from it.

Audio case-brief lectures.

Any decision becomes a podcast-style lecture - facts, issues, ruling, and doctrine - with read-along highlighting and a hands-free presentation mode. Study while commuting, working out, or resting your eyes.

Bar review built on the science of memory.

Complete, sequenced courses for all eight bar subjects, narrated like podcasts and reinforced with retrieval practice and spaced review - the study techniques with the strongest evidence behind them.

The full law-school curriculum.

One subscription unlocks the entire J.D. curriculum - every subject, every lesson, with your progress tracked down to the paragraph so you can pick up exactly where you left off, on any device.

Mock exams that tell you where you stand.

Timed multiple-choice exams graded instantly, with per-subject score breakdowns and focus suggestions that point you at your weakest topics first.

A study planner that keeps you on pace.

Set your schedule and BATAS tells you every day whether you are on track for bar day - and exactly which lesson to take next.
