2.0 In the use/charging of income, the following conditions shall be satisfied:

2.1

Quarterly reports on use of income shall be submitted to this Department and failure to comply with same shall serve as basis for non-release in subsequent quarters;

In no case, therefore, shall a non-existent item, project activity, purpose or object of expenditure be funded by augmentation.

4.0 The income to be released pursuant to this Circular shall be chargeable against the General Fund Adjustments-Unprogrammed Fund (Purpose A.2), the 1995 GAA.

6.0 The special budgets on the use/charging of income shall be submitted to the concerned Regional Offices (or the Regional Coordination Service in the case of SUCs in the National Capital Region, inclusive of the Mindanao State University System). Such special budgets shall indicate by program/project/activity and by object of expenditure the intended application of the income requested to be released.
