Part II

General Provisions

SECTION 1. Applicability - The fees arc charges prescribed herein shall apply for the use of the Ninoy Aquino International Airport and Manila Domestic Airports, the facilities, services, and properties under the management ant control of the Manila International Airport Authority.

SECTION 2. Other Fees and Charges - The fees and charges prescribed herein shall not prejudice the levy and collection of such other fees and charges not covered herein subject to the provision of Sec. 5k of Executive Order

No. 903, as revised.

SECTION 3. Exemptions - Government agencies operating within the Airport shall pay rentals due including electric, water and telephone bills to the Authority for the use of office space and working area which they are currently occupying or may hereinafter occupy. However, government offices whose services are essential to the operation of the airport as determined by the MIAA Board of Directors upon the recommendation of the General Manager shall be exempted from the payment of rentals, electric, and water bills only. Further, should these offices subsequently occupy additional spaces or areas, they shall pay the appropriate charges.

SECTION 4. Guarantee of Prompt Payment -To guarantee prompt payment of fees and charges covered by contract leases or concessionaires, excluding government agencies whose functions are essential in the operations of the airport and airline, a deposit either in the form of Manager's Check or cash shall be made with the Authority, the amount of which shall be equivalent to three (3) months rentals and Concessions Privilege Fee, one (1) month advance, and a Surety Bond from GSIS or government accredited insurance or bonding company in the amount equivalent to total rental and CPF during the term of the contract but not to exceed P5 million. The Philippine bar review and law-school companion built around how your brain actually remembers.

The complete Philippine law library - free for everyone.

More than 100,000 Supreme Court decisions, Republic Acts, and executive issuances - full-text searchable, browsable by category and year, and always free. No paywall, no login. This PDF came from it.

Audio case-brief lectures.

Any decision becomes a podcast-style lecture - facts, issues, ruling, and doctrine - with read-along highlighting and a hands-free presentation mode. Study while commuting, working out, or resting your eyes.

Bar review built on the science of memory.

Complete, sequenced courses for all eight bar subjects, narrated like podcasts and reinforced with retrieval practice and spaced review - the study techniques with the strongest evidence behind them.

The full law-school curriculum.

One subscription unlocks the entire J.D. curriculum - every subject, every lesson, with your progress tracked down to the paragraph so you can pick up exactly where you left off, on any device.

Mock exams that tell you where you stand.

Timed multiple-choice exams graded instantly, with per-subject score breakdowns and focus suggestions that point you at your weakest topics first.

A study planner that keeps you on pace.

Set your schedule and BATAS tells you every day whether you are on track for bar day - and exactly which lesson to take next.
