

BANNING SMOKING IN ALL HEALTH CARE FACILITIES UNDER THE DEPARTMENT OF HEALTH

Read online (full-text search, related cases, audio case brief): <https://batas.org/library/b3f9a573ada0/>

It is now an established fact that smoking is toxic, hazardous, and addicting. The adverse health effects of smoking result in serious illnesses, notably lung cancer, cardiovascular diseases and chronic obstructive pulmonary diseases, among others. Smoking is also the single most important risk factor in the country today, and this habit must be put under control in order to promote and safeguard the constitutional right of every citizen to a healthy life.

Thus, health workers need to fully understand their role in advocating a healthy lifestyle. Health facilities must indeed be the windows to a tobacco-free world and by serving as role models to the people they serve. One way to realize this is to create a smoke-free environment in all health facilities under the Department of Health.

For this purpose, regional health offices, hospitals/medical centers, and all other health facilities under the administrative supervision of the Department of Health are hereby declared “Smoke Free Zones”.

Henceforth, smoking in the buildings/compounds of these facilities as well as the sale of cigarettes, cigars and other tobacco products shall be strictly prohibited.

Moreover, chiefs of health care facilities are enjoined to print, as appropriate, the caption SMOKING IS DANGEROUS TO HEALTH on their official stationaries and other legal papers.

All Heads of Offices, Chiefs of Medical/Specialty/Special Hospitals and others concerned are directed to lead in the anti-smoking campaigns in their respective areas of assignment. Ample time and appropriate means of communication should be provided for everyone to understand the DOH No Smoking Policy, inclusive of the clients/beneficiaries/patients/visitors in health facilities. Supervisors concerned are also enjoined to design and provide measures and mechanisms such as imposition of sanctions/appropriate penalties and/or granting of incentives/awards towards the effective implementation of this activity. Copy of such measures shall be submitted to the Office of the Secretary within a period not to exceed sixty (60) days upon receipt of this Order.

This Order takes effect immediately.

Adopted: 3 June 1993

(Sgd.) JUAN M. FLAVIER, M.D., MPH
Secretary of Health

ABOUT BATAS.ORG

Study smarter at BATAS.org

The Philippine bar review and law-school companion built around how your brain actually remembers.

The complete Philippine law library - free for everyone.

More than 100,000 Supreme Court decisions, Republic Acts, and executive issuances - full-text searchable, browsable by category and year, and always free. No paywall, no login. This PDF came from it.

Audio case-brief lectures.

Any decision becomes a podcast-style lecture - facts, issues, ruling, and doctrine - with read-along highlighting and a hands-free presentation mode. Study while commuting, working out, or resting your eyes.

Bar review built on the science of memory.

Complete, sequenced courses for all eight bar subjects, narrated like podcasts and reinforced with retrieval practice and spaced review - the study techniques with the strongest evidence behind them.

The full law-school curriculum.

One subscription unlocks the entire J.D. curriculum - every subject, every lesson, with your progress tracked down to the paragraph so you can pick up exactly where you left off, on any device.

Mock exams that tell you where you stand.

Timed multiple-choice exams graded instantly, with per-subject score breakdowns and focus suggestions that point you at your weakest topics first.

A study planner that keeps you on pace.

Set your schedule and BATAS tells you every day whether you are on track for bar day - and exactly which lesson to take next.
