In order to establish the compensability of blepharoplasty and ptosis surgeries, all claims for these procedures must be submitted together with a fully accomplished PhilHealth Claim Form 3 or a copy of Clinical Abstract. The surgeon should document the indication for the surgery through history and physical examination findings. Operating room records should also support the presence of the indications. Claims with incomplete requirements shall not be processed and shall be returned to hospital for completion.

All other Circulars consistent herewith remain in full force and effect.

This circular will take effect 15 days following publication hereof.

Please be guided accordingly.
