During the last Labor Day celebration, the GMA Kiosk was showcased with all information on services rendered by the Department of Labor and Employment and its attached agencies. Featured as services of the POEA are the information pertaining to licensed recruitment agencies and their available job orders. The same information found in the POEA website are accessible through the GMA Kiosks found in malls and local government units.

You are advised to regularly check the status of your agency license in the P website and to make current the job orders posted under your company. For those job orders with validity of four years, please update the Landbased Center which of them a still active.

Let us provide to the public the accurate information so that they may be guided properly.
