1.0 RATIONALE

Republic Act No. 7924 mandates that the MMDA shall set the policies concerning traffic in Metropolitan Manila, and coordinate and regulate the implementation of all programs and projects concerning traffic management specifically pertaining to enforcement, engineering and education.

Effective traffic enforcement, engineering and education are key factors to increase public safety for motorists, commuters, passengers and pedestrians. Traffic enforcement measures being implemented by the Authority include the “No Physical Contact Policy”, anti-colorum operations and enforcement of prescribed speed limits along major thoroughfares.

In line with the implementation of the “No Physical Contact Policy”, Closed Circuit Television (CCTV) cameras were placed at strategic locations throughout Metro Manila. However, the CCTVs could not clearly capture images/pictures of license plates of motor vehicles involved in traffic violations or accidents, due to the cameras’ limited visual range and capacity, especially when the vehicles are in motion.

The Authority also implemented a vehicle tagging process in order to identify and segregate duly-authorized public utility buses from colorum. The authority also began utilizing speed guns along Commonwealth Avenue to detect and apprehend speed limit violations, also under the “No Physical Contact Policy.”

To further enhance and improve these traffic enforcement measures, the Metro Manila Council approved MMDA Resolution No. 11-02, Series of 2011, re-implementing MMDA Resolution No. 02-27, Series of 2002, authorizing the MMDA Chairman to “tag” Public Utility Vehicles (PUVs) by requiring the painting of license plate numbers on the roof, front, back and two sides of all registered and franchised PUVs. This will enable CCTV cameras to easily capture the license plate numbers of vehicles plying major and secondary thoroughfares in Metro Manila involved in traffic violations and accidents, to facilitate their identification and apprehension.

2.0 PURPOSE

This Revised Memorandum Circular provides guidelines and procedures in the implementation of MMDA Resolution No. 11-02, Series of 2011, in relation to MMDA Resolution No. 02-27, Series of 2002, in order to have a uniform interpretation and strict implementation of the said policies.

3.0 VEHICLE TAGGING OR MARKING

The following guidelines should be observed in the implementation of MMDA Resolution No. 11-02:

3.1

As used herein, "Vehicle Tagging or Marking" for purposes of MMDA Resolution Nos. 11-02 and 02-27 shall mean the painting of the License Plate Numbers on the roof, front, back and two sides of Public Utility Vehicles, using the color scheme stated in these Implementing Guidelines.

3.2

"Major and secondary thoroughfares" for purposes of these Implementing Guidelines shall mean Highways, Avenues, Boulevards and Streets within Metro Manila classified as such by the Department of Public Works and Highways (DPWH).

3.3

This Circular shall cover all registered and franchised Public Utility Vehicles (PUVs) plying major and secondary thoroughfares in Metro Manila, including City and Provincial Operation Buses (PUBs), Public Utility Jitneys (PUJs) and Taxi cabs whether metered or garage to terminal. It shall not include airport taxis and PUJs plying short trips along local or interior roads, provided that the latter do not traverse a great portion of any major or secondary thoroughfare within Metro Manila.

3.4

PUVs are hereby classified and designated a particular background color scheme which shall be observed in tagging or marking said vehicles. There shall be ten (10) classifications, each corresponding to a particular color:

City Operation Buses Plying EDSA

- YELLOW

City Operation Buses NOT Plying EDSA

- ORANGE

Provincial Buses Plying EDSA

- RED

Provincial Buses NOT Plying EDSA

- VIOLET

Public Utility Jeepneys

- BROWN

Metered Taxis

- BLUE

Non-metered/GT/AUV Taxis
- GREEN

School Buses
- GRAY/SILVER

Tourist/Shuttle Buses
- PINK

Cargo Trucks
- GOLD

3.4.1
“City Operation Buses Plying EDSA” shall mean all Public Utility Buses whose authorized routes traverse a greater portion of EDSA, regardless of their point of origin or destination; whereas “City Operation Buses NOT Plying EDSA”, shall include all such buses whose authorized routes traverse only a short segment of EDSA to and from their point of destination.

3.4.2

“Provincial Buses Plying EDSA” shall include Public Utility Buses whose authorized routes allow their passage through EDSA to and from their terminals; whereas, “Provincial Buses NOT Plying EDSA” shall include those which are not allowed to traverse EDSA going to and coming from their terminals.

3.5

Within three months from the issuance of these Revised Implementing Guidelines, the “tag” or “mark” shall be painted horizontally on the front portion of the roof of the PUV. The “tag” or “mark” on the PUV roof shall have the following measurements/dimensions:

For Public Utility Buses, School Buses, Tourist Buses,

Shuttle Buses and Cargo Trucks – 900 mm x 1,200 mm

Public Utility Jitneys, FX/Van-type Taxis and Sedan-type Taxis – 400 mm x 900 mm

3.5.1

The owner/operator/franchise holder shall use “reflectorized” paint, for a more visible mark/tag.

3.5.2

New PUVs and PUVs which have not yet complied with the tagging or marking requirement on the sides and at the back of the vehicle pursuant to relevant LTFRB Regulations shall be required to have their vehicles painted accordingly, the dimensions of which shall not be smaller than one-third the size of the roof mark.

3.5.3

For PUVs plying fixed routes, there shall be painted below the side mark/ tag, their authorized routes, which shall be in no case be smaller than half the size of their side marks or tags.

3.6

The plate numbers shall be painted over the color tag/mark to plain bold figures, in such manner as would render them easy to spot and identify, with the following margins and letter widths:

Vehicle Classification

Letter Width

Margin

For Public Utility Buses, School Buses, Tourist Buses, Shuttle Buses and Cargo Trucks

6 cm

150 mm

Public Utility Jitneys, FX/Van-type taxis and Sedan-type taxis

4 cm

75 mm

The plate number of the PUV shall be painted over the color template using black paint, except in the case of provincial operation buses, whether plying EDSA or not, which shall use white paint.

4.0 IMPLEMENTING PROCEDURE

4.1

Additional Closed Circuit Television Cameras (CCTVs) from the DOTC shall be distributed and installed at strategic points along major and secondary thoroughfares throughout Metro Manila, taking into account among others PUV converging and diverging points, loading and unloading zones, accident prone areas as well as areas where traffic is crucial during rush hours.

4.2

Any PUV spotted or captured by the CCTV cameras plying routes/thoroughfares not in accordance with the classification and color scheme as defined under Subsections 3.2 to 3.4 hereof, shall be considered as operating Out-of-Line or Colorum.

4.2.1

Taxicabs (metered or GT), school buses, tourist buses, shuttle buses and cargo trucks shall not be covered under this subsection, and shall be allowed to pass through any covered thoroughfare/street, subject to existing local ordinances and other traffic rules and regulations.

4.3

Any PUV spotted or captured by CCTV Cameras violating MMDA Resolution No. 11-02, Series of 2011, shall be proceeded against and penalized, in accordance with MMDA Memorandum Circular No. 04, Series of 2011, or the Revised Implementing Guidelines of MMDA Resolution No. 10-12, otherwise known as the "No Physical Contact Policy" of the MMDA.

4.4

The owners/operators/franchise holders of all covered PUVs shall have a period of three (3) months from the effectivity of these Revised Implementing Guidelines within which to comply with the above-mentioned directive. Failure of owners/operators/ franchise holders to do so shall be meted out appropriate sanctions including but not limited to: (a) a fine of five hundred pesos; and/or (b) recommendation for CANCELLATION/SUSPENSION OF FRANCHISE to the LTFRB by the MMDA.

4.5

For purposes of this policy, the MMDA shall regularly coordinate and consult with the LTFRB and other concerned agencies to facilitate procedures in the enforcement and supervision thereof.

5.0 SEPARABILITY CLAUSE

If any of the provisions of this Revised Memorandum Circular is declared unconstitutional or invalid for whatever reason, the same shall not affect the validity of other provisions not declared unconstitutional or invalid.

6.0 REPEALING CLAUSE

All other Memorandum Circulars or related issuances contrary or inconsistent herewith are hereby accordingly repealed, amended or modified.

7.0 EFFECTIVITY

This Memorandum Circular shall take effect immediately.

Adopted: 08 April 2011

(SGD.) ATTY. FRANCIS N. TOLENTINO
Chairman

ABOUT BATAS.ORG

Study smarter at BATAS.org

The Philippine bar review and law-school companion built around how your brain actually remembers.

The complete Philippine law library - free for everyone.

More than 100,000 Supreme Court decisions, Republic Acts, and executive issuances - full-text searchable, browsable by category and year, and always free. No paywall, no login. This PDF came from it.

Audio case-brief lectures.

Any decision becomes a podcast-style lecture - facts, issues, ruling, and doctrine - with read-along highlighting and a hands-free presentation mode. Study while commuting, working out, or resting your eyes.

Bar review built on the science of memory.

Complete, sequenced courses for all eight bar subjects, narrated like podcasts and reinforced with retrieval practice and spaced review - the study techniques with the strongest evidence behind them.

The full law-school curriculum.

One subscription unlocks the entire J.D. curriculum - every subject, every lesson, with your progress tracked down to the paragraph so you can pick up exactly where you left off, on any device.

Mock exams that tell you where you stand.

Timed multiple-choice exams graded instantly, with per-subject score breakdowns and focus suggestions that point you at your weakest topics first.

A study planner that keeps you on pace.

Set your schedule and BATAS tells you every day whether you are on track for bar day - and exactly which lesson to take next.
