EXPLANATORY NOTE

The rights to own land and to build a home therein are both constitutional and natural rights.

Preceding from the foregoing, it has been the consistent policy of the City Government of Manila to provide housing for its residents.

This policy equally applies to whoever desires to reside in the city regardless of the length of their stay.

This is applied with greater liberlity to those have been residing in the city for several decades already but for reason not of thier own making were not able to acquire their own place of abode.

In this case, a hundred or so families have been staying and occupying a parcel of land measuring 1,231.22 square meters at a place located at Corcuera and Baltaza Streets, Brgy. 88, Zone 7, Distrist 1, Tondo, Manila. For several decades, they are paying the tax declaration on the land and have earnestly shown their desire to buy the same from the owner. Generosa Queenie M. Sengco.

It is high-time and proper for the City Government to step in and intervene in behalf of the residents so that socialized housing be set up for disposal at cost to the bona fide residents under the Land-for-Landless Program of the City of Manila.
