The Department of Agriculture Field Offices and the Bureau of Plant Industry (BPI) shall be guided by the following policies/guidelines:

1. All seeds produced by the DA Centers, Stations and Seed Farms should undergo seed quality tests by the Seed Testing Laboratory of the BPI National Seed Quality Control Services. Germination and physical purity should not be less than 80% and 95%, respectively, while moisture content should not be more than 12% prior to sale and distribution.
2. All seeds still on stock at any DA Field Units shall be retested three months after the first test and monthly test thereafter for germination and moisture content. Only seed within the quality standards are eligible for sale/distribution.
3. Seeds and plant materials shall be sold in cash and carry basis.
4. Seeds that fall below the minimum quality standard and overgrown plant materials shall be disposed or shall be condemned according to COA Regulations.
5. Budstick for asexual propagation shall be sourced from NSIC registered and regularly indexed parent trees.
6. Standard bagging size of plastic bag is 7 x 11 inches for fruits, 6 x 8 inches for beverages and plantation crops, 7 x 14 inches for rubber and 5 x 7 inches for medicinal plants and other crops.

This order supersedes all other Administrative Order inconsistent herewith and takes effect immediately.

ABOUT BATAS.ORG

Study smarter at BATAS.org

The Philippine bar review and law-school companion built around how your brain actually remembers.

The complete Philippine law library - free for everyone.

More than 100,000 Supreme Court decisions, Republic Acts, and executive issuances - full-text searchable, browsable by category and year, and always free. No paywall, no login. This PDF came from it.

Audio case-brief lectures.

Any decision becomes a podcast-style lecture - facts, issues, ruling, and doctrine - with read-along highlighting and a hands-free presentation mode. Study while commuting, working out, or resting your eyes.

Bar review built on the science of memory.

Complete, sequenced courses for all eight bar subjects, narrated like podcasts and reinforced with retrieval practice and spaced review - the study techniques with the strongest evidence behind them.

The full law-school curriculum.

One subscription unlocks the entire J.D. curriculum - every subject, every lesson, with your progress tracked down to the paragraph so you can pick up exactly where you left off, on any device.

Mock exams that tell you where you stand.

Timed multiple-choice exams graded instantly, with per-subject score breakdowns and focus suggestions that point you at your weakest topics first.

A study planner that keeps you on pace.

Set your schedule and BATAS tells you every day whether you are on track for bar day - and exactly which lesson to take next.
