SECTION 4. Procedure for Changing Over to New Labels —

4.1 All drug establishments that own registered drug products covered under this A.O. shall present their proposed generic labels in compliance with the above for review and approval by BFAD not later than March 31, 1991.

4.2 All satisfactory applications for new generic labels covered by this A.O. submitted within the March 31, 1991 deadline shall be approved by BFAD not later than May 31, 1991.

4.3 Starting sixty (60) days after approval but not later than August 1, 1991, only such approved generic labels shall be used for these products in new production. The drug establishment is required to submit the last batch number bearing the new generic label before the start of actual production with the new label.

4.4 After October 31, 1991, all covered products with the old label shall be deemed misbranded and subject to seizure by BFAD.

4.5 It shall be the responsibility of the drug establishment to ascertain the coverage of this A.O. on its products.

4.6 Remedial generic labelling according to the provisions of A.O. 79, s. 1989 is available to products covered by the A.O.

4.7 Approval of the new label under this new A.O. should not be taken to mean that the present formula for the FDC is acceptable. This formula will still be subject to review per A.O. 96, s. 1990.

SECTION 5. Separability Clause — In case any provision of the A.O. is declared contrary to law or unconstitutional, other provisions which are not affected thereby shall continue to be in force and in effect,

SECTION 6. Repealing Clause — All A.O.s, Rules and Regulations, and other Administrative issuances or parts thereof inconsistent with the provisions of this A.O. are thereby repealed and modified accordingly.

SECTION 7. Effectivity — This A.O. shall take effect fifteen (15) days after its publication in two newspapers of general circulation.

Adopted: 3 Dec. 1990
