Pursuant to the provisions of Republic Act No. 4136, otherwise known as Land Transportation and Traffic Code, as amended, and in line with existing rules and regulations, the following guidelines on the above-subject are hereby promulgated.

A. OBJECTIVE

The influx Tourists to our country, courtesy of the aggressive promotional campaign of the Department of Tourism through its "WOW Philippines Program", accounts for the immeasurable goodwill for the Filipino people and revenue for the government and to the business sector catering to tourists and foreign visitors.

It is in this light that tourists, who are perceived as rich and big spenders, should be accorded due respect from law enforcement authorities as well as utmost security and protection from kidnappers, terrorists and other criminal elements. Accordingly, it is imperative as part of LTO's concern for the safety of tourists and comfort during their land travel to change the design format of the license plates of tourist-oriented Public Utility Vehicle (PUV) so as to differentiate these units from the easily identifiable for-hire vehicles.

Hence, the need for the adoption of the measure set forth in this memorandum circular as requested by tourist-oriented PUV operators and in coordination with the Land Transportation Franchising and Regulatory Board (LTFRB).
