Television Classification

Section 1. Television Classification — All television programs are to be classified as GENERAL PATRONAGE ("G"); PARENTAL GUIDANCE ("PG"); STRONG PARENTAL GUIDANCE ("SPG"); and DISAPPROVED FOR AIRING ON TELEVISION ("X"). In classifying a television program, the Board shall consider the treatment of the following factors, theme, violence, language, nudity, sex, horror, illegal drugs and other elements.

Section 2. Guidelines for Television Classification — Applying contemporary Filipino cultural values as standard, the following are the guidelines for television classification:

A. GENERAL PATRONAGE ("G") — Suitable for all ages. Material for television, which in the judgment of the BOARD does not contain anything unsuitable for children.

A pictogram advisory accompanied by full-screen written and verbal advisory to the effect that the program is classified as "G" shall be broadcast for at least ten (10) seconds immediately before the opening credits of the particular television material. The text of the full-screen written advisory shall be written in font 15 of arial-narrow. The pictogram advisory showing a capital letter "G" written on a green box with an MTRCB logo at the top and the phrase "General Patronage For All Viewers" at the bottom shall be clearly superimposed at the bottom right corner of the television screen throughout the entire showing of the program classified as such. The superimposed pictogram advisory shall be 45mm x 55mm in size. The suggested pictogram advisory and full-screen written and verbal advisory are as follows:

B. PARENTAL GUIDANCE ("PG") — Parental guidance suggested. Material for television, which, in the judgment of the BOARD, may contain some adult material that may be permissible for children to watch but only under the guidance and supervision of a parent or adult.

The "PG" classification advises parents to exercise parental responsibility in their children's viewing of the program. A pictogram advisory accompanied by full-screen written and verbal advisory to the effect that the program is classified as "Parental Guidance" shall be broadcast for at least ten (10) seconds immediately before the opening credits of the particular television material classified as such. The text of the full-screen written advisory shall be written in font 15 of arial-narrow. The pictogram advisory showing a capital letter "PG" written on a blue box with an MTRCB logo on top and the phrase "Parental Guidance For Young Viewers" at the bottom shall be clearly superimposed at the bottom right corner of the television screen throughout the entire showing of the program classified as such. The superimposed pictogram advisory shall be 45mm x 55mm in size. The suggested pictogram advisory and full-screen written and verbal advisory are as follows:

"ANG SUSUNOD NA PROGRAMA AY RATED
"PG". ITO AY NANGANGAILANGAN NANG
PATNUBAYAT GABAYNG MAGULANG

The television program classified as "PG" must, in the judgment of the Board, meet the following criteria:

- THEME — More serious issues may be tackled but the treatment must be suitable to children below thirteen (13) years old.
- LANGUAGE — Very mild swear words only shall be allowed. Use of a strong expletive in a sexual context, or sexually-based expletives shall not be allowed. Neither shall prolonged and/or successive use of expletives be allowed.

C. STRONG PARENTAL GUIDANCE ("SPG") — Stronger and more vigilant parental guidance is suggested. Programs classified as "SPG" may contain more adult topic and theme, which may not be advisable for children to watch except under the vigilant guidance and presence of a parent or adult.

The "SPG" classification warns parents to exercise greater parental responsibility in their children's viewing of the program. A pictogram advisory accompanied by full-screen written and verbal advisory to the effect that the program is classified as "Strong Parental Guidance" shall be broadcast for at least ten (10) seconds immediately before the opening credits of the particular television material classified as such. The text of the full-screen written advisory shall be written in font 15 arial-narrow. The pictogram advisory showing a capital letter "SPG" written on a red box with an MTRCB logo at the top and the phrase "Strong Parental Guidance For Young Viewers" at the bottom shall be clearly superimposed at the bottom right corner of the television screen

throughout the entire showing of the program classified as such. The superimposed pictogram advisory shall be 45mmx 55mm in size.

Midway in the full showing of the particular television material classified as "SPG", the pictogram advisory and the full screen written and verbal advisory shall again be shown or screen in the same way as in the opening credits

The suggested pictogram advisory and full-screen written and verbal advisory are as follows:

"ANG SUSUNOD NA PROGRAMA AYRATED
"SPG". ITO AYNANGANGAILANGANNANG
"STRIKTONG" PATNUBAYATGABAY NG
MAGULANG DAHIL SA MGA SENSITIBONG
TEMA AT EKSENA NA HINDI ANGKOP
SA MGA BATA."

The Board shall announce the actual implementation of "SPG" and its guidelines after the completion of a public awareness campaign.

D. DISAPPROVED FOR AIRING ON TELEVISION ("X") — Any television program that does not conform to the "G", "PG" or "SPG" classification shall be disapproved for television broadcast. The material shall be disapproved for television broadcast if, in the judgment of the Board applying contemporary Filipino cultural values as standard, it is objectionable for being immoral, indecent, contrary to law and/or good customs, injurious to the prestige of the Republic of the Philippines or its people, or with a dangerous tendency to encourage the commission of violence, or of a wrong, or crime, such as but not limited to:
