III

Scope/Application

This Memorandum Circular shall apply to:

A. All Manufacturers/Service Stations/Suppliers of life-saving appliances and fire fighting equipment required on board Philippine registered vessels, amphibians and seaplanes; and

B. All Philippine registered vessels, amphibians and seaplanes.

IV

Purpose

The purpose of this Memorandum Circular is to provide a set of guidelines in accrediting a Firm and its Manufacturing Station, Supply Station, or Service Station, before authorizing the said Firm to manufacture, supply, distribute and/or service any or all of the life-saving appliances and fire-fighting equipment required on board Philippine registered vessels, amphibians and sea-planes; and to ensure its enforcement.

V

Definition of Terms

A. "Vessel" is a propelled or non-propelled, stationary or moving afloat or submerged, and partially or fully endorsed container, so constructed for the purpose of carrying or holding cargoes, mechanical or electrical equipment and/or persons.

B. For the purpose of this MC, "Safety Equipment" is the general term of life-saving appliances and fire fighting equipment which are required on board Philippine-registered vessels, amphibians and seaplanes. The given all capital letters abbreviations of these safety equipment are enumerated as follows:

VI

Procedure

A. Before any manufacturer, supplier and service firm of any of the safety equipment mentioned in paragraph V.B 1) to 21) can do business legally, it is first required to secure from the PCG a yearly issuance of any of all or all of the following:

1. "PCG Accredited Manufacturer Certificate" for specific Manufacturing Company/Firm at a given address, to manufacture the specified safety equipment per paragraph V.B.1) to 21);
2. "PCG Accredited Supplier Certificate" for specific Supply Station at a given address, to supply or sell the specified safety equipment per paragraph V.B.1) to 21); and
3. "PCG Accredited Service Station Certificate" for specific Service Station at a given address, to service the specified safety equipment per paragraph V.B.1) to 21).

B. Schedule of Fees:

1. PCG Accredited Manufacturer Certificate -P 1,500.00
plus P 1,000.00 for every product line per paragraph V.1) to 2
2. PCG Accredited Supplier Certificate P 1,000.00
3. PCG Accredited Service Station Certificate P 500.00
4. Application Fee P 100.00

A branch of a firm in a different location shall have its application treated as distinct from its mother company and shall submit a set of separate document-requirements, considering the need to check its facilities, equipment, operational procedures and site.

C. The requirements for the issuance of any of the above -mentioned certificates shall be as follows:

1. Letter request addressed to the Commandant, PCG (Attn: Assistant Chief of Staff for Maritime Safety Affairs, CG-8) indicating the particular item/s being requested for accreditation and issuance of appropriate certificates.
2. After Inspection/Evaluation Report of detailed PCG Inspector/Evaluator with favorable recommendations for the grant of the relevant certificate, with corresponding justifications and evidences attached thereto.
3. Articles of Incorporation, together with its latest certified list of Incorporators, Members of the Board of Directors, Executive Officers/Articles of Partnership issued by SEC/Certificate of Registration of Business Name, together with its Original Application and License Certificate for the said specified business, Accreditation Certificate, if any, all issued by DTI, and legal proofs of Filipino citizenship for all partners and for single proprietorship/BIR Certificate of Registration, VAT Registration and balance sheet, as applicable;
4. Affidavit of the top man of the firm concerned, certifying and pledging that no member of his firm is or will be connected or shall become an investor of any shipping, lighterage or towerage business firm;
5. Drawn to scale floor plan of the Manufacturing Station/Supply Station/Service Station, with its vicinity map, indicating therein the spaces for quality inspection area, stock room, working area and locations of tools, equipment, vehicles and machinery needed for the manufacturing/supplying/ servicing of such specific safety equipment applied for together with pictures showing the said items;
6. Valid Mayor's Permit of the firm for such particular business purpose(s), together with Sanitary Permit, as applicable;

Additional requirements for the issuance of specific certificate shall be as follows:

7. For the Service Station Certificate, training credentials and any other proof of technical competency and

proficiency of the company technicians in line with the tasks relevant to the service being offered.

8. For the Supplier or Service Station Certificate, two copies of the manufacturer's authorization to supply or to service such type of safety equipment manufactured abroad together with two copies of its brochures and required documents cited in paragraph V.G.

VII

Responsibilities

A. All Companies/Firms/Stations engaged in the business of manufacturing, supplying and/or servicing of safety equipment are required to secure valid PCG Certificates corresponding to the line of their service and/or product being offered before they could transact business. They shall only produce products and use facilities, technicians, equipment and operational procedures that have been duly approved by PCG. They are also required to apply for the renewal of their certificates one (1) month before their expiration date.

B. All holders of valid "PCG Accredited Manufacturer Certificate" shall be responsible in marking all their manufactured safety equipment with its secret identifying mark(s) as proof(s) of original ownership together with the markings required in Paragraph V.

C. All holders of valid "PCG Accredited Service Station Certificate" shall be responsible in attaching to the equipment the Firm's seal along with the other required markings, in order to indicate and guarantee that services were satisfactorily rendered at a specified date in compliance with the requirements of pertinent regulations;

The Assistant Chief of Staff for Maritime Safety Affairs, CG-8 shall:

1. Be responsible in the over-all supervision and the effective implementation of this MC
2. Coordinate with cognizant Coast Guard District Commanders for the submission of complete requirements from applicants based in the provinces.
3. Assign inspectors/evaluators who shall conduct the mandatory inspection/evaluation of the applicant's (firm), facilities, operational procedures, documentation and products.

VIII

Rescission Clause

All other PCG Memorandum Circulars, inconsistent with this, are rescinded.

IX

Effectivity

This Memorandum Circular shall take effect one month after publication in the Official Gazette or in a newspaper of general circulation.

Adopted: 26 Jan. 1998

(SGD.) COMMO. MANUEL I. DE LEON AFP
Commandant, PCG

ABOUT BATAS.ORG

Study smarter at BATAS.org

The Philippine bar review and law-school companion built around how your brain actually remembers.

The complete Philippine law library - free for everyone.

More than 100,000 Supreme Court decisions, Republic Acts, and executive issuances - full-text searchable, browsable by category and year, and always free. No paywall, no login. This PDF came from it.

Audio case-brief lectures.

Any decision becomes a podcast-style lecture - facts, issues, ruling, and doctrine - with read-along highlighting and a hands-free presentation mode. Study while commuting, working out, or resting your eyes.

Bar review built on the science of memory.

Complete, sequenced courses for all eight bar subjects, narrated like podcasts and reinforced with retrieval practice and spaced review - the study techniques with the strongest evidence behind them.

The full law-school curriculum.

One subscription unlocks the entire J.D. curriculum - every subject, every lesson, with your progress tracked down to the paragraph so you can pick up exactly where you left off, on any device.

Mock exams that tell you where you stand.

Timed multiple-choice exams graded instantly, with per-subject score breakdowns and focus suggestions that point you at your weakest topics first.

A study planner that keeps you on pace.

Set your schedule and BATAS tells you every day whether you are on track for bar day - and exactly which lesson to take next.
