The issuance of computer generated Certificate of Stock Reported (CSR) was put on hold from July 1, 2004 to February 14, 2005 because of the issue on the collection of the IT fee. In view hereof, the manually prepared CSR were issued to manufacturers, assemblers and importers in lieu of the computer generated CSR by the Registration Section-Central Office and the Regional Offices.

It has been observed that some regional offices verify/authenticate sales invoices in the absence of the stock reports. Henceforth, all sales invoices with CSR (manually prepared) shall be verified/authenticated by the Registration Section Central Office or Regional Office concerned which issued the manually prepared CSR.

It is also reiterated that no new registration should be processed by the District Offices unless the Sales Invoices and the Certificates of Stocks Reported are duly verified and authenticated by the Registration Section or the Regional Office that issued the manually prepared CSR.

For strict compliance.
