Excellency:

I have the honor to refer to our conversations concerning the difficulties arising from the previous arrangement providing for the processing of raw cotton, supplied by Indonesia from the United States Public Law 480 Program, into yarns by Philippine textile mills, and to paragraph 4 of the Djakarta Memorandum signed in Djakarta on August 27, 1966, which referred to this problem as follows:

"4. Cotton Processing.

With regard to cotton processing, the two Governments noted the difficulties arising from the previous

arrangement and have agreed to take measures to thresh out the problems. The conclusion of future contracts for the processing of raw cotton into yarn, procured under United States Public Law 480, or from other sources, will be taken into serious consideration by both Governments."

I wish to inform Your Excellency that my Government has been assisting and urging the private parties concerned to arrive at a settlement of the matter involved and to assure that the Philippine Government will continue to press for a satisfactory resolution of the problem, making due representation with the Philippine parties concerned.

It is my understanding that the Indonesian Government will give serious consideration to the conclusion of future contracts for the processing of raw cotton procured under United States Public Law 480, or from other sources.

Your Excellency's confirmation of the foregoing will be considered as the mutual understanding of our two Governments on this matter.

Accept, Excellency, the assurances of my highest consideration.
