I

Background Information

Radiology is a fast growing specialty in the field of medicine with more sophisticated machines and procedures being developed every few years. Corollary thereto, high technology skills and responsibilities in radiologic equipment technicians are needed in order for them to effectively participate in radiologic diagnostic and therapeutic work. To recognize the improved qualification requirements of their positions and to provide distinction between Medical Equipment Technicians performing repair and rehabilitation of medical equipments and machines vis-a-vis those performing radiographic diagnostic and therapeutic procedures/examinations, the following new classes/position titles have been created under the Position Classification Plan:

Position Titles

Salary Grade

Radiologic Technologist I

8

Radiologic Technologist II

10

Radiologic Technologist III

13

Radiologic Technologist IV

16

Radiologic Technologist V

18

2

Purpose

This Circular is being issued to effectively implement the creation of the above-listed new classes/position titles and to reallocate thereto all existing Medical Equipment Technician positions performing radiologic technology work.

3

Coverage

This Circular shall cover all existing Medical Equipment Technician positions in the government performing radiologic technology work.

4

Rules and Regulations

4.1 Requests of national government agencies, state universities and colleges and government-owned or controlled corporations for reallocation of positions authorized under this Circular which shall be supported by the following documents shall be submitted for each position involved to the Department of Budget and Management (DBM) through the Compensation and Position Classification Bureau (CPCB) for evaluation:

4.1.1

Duly accomplished Position Description Form (PDF); and

4.1.2

Position Chart showing hierarchy of positions in the unit where the position is located.

4.2 In accordance with RA 7160, local government units may reallocate all positions devolved from the Department of Health as well as their organic positions performing radiologic technology work based on the support documents enumerated under Item 4.1 hereof, the qualification requirements prescribed for Radiologic Technologist positions under Resolution No. 94-5440 dated October 6, 1994 of the Civil Service Commission and the following duties and responsibilities:

Position Title Duties and Responsibilities

Radiologic Technologist I

Under the immediate supervision of a higher level Radiologic Technologist, performs all plain diagnostic work.

Radiologic Technologist II

Under general supervision, does all routine radiographic procedures including contrast media study.

Radiologic Technologist IV

Under general supervision, supervises routine radiography procedures done in Rts or supervises and participates in specialized radiographic work of one of the specialties in their specific are a like CT-scan, Interventional Radiography, Ultrasound, MRI, Simulator and Radiotherapy.

Radiologic Technologist V

Under general supervision, supervises specialized diagnostic and therapeutic radiographic work.

5

Funding

5.1 The funding sources for the amounts necessary to initially implement the provisions of this Circular shall be as follows:

5.1.1

For national government agencies, the amount shall be charged against savings in appropriations;

5.1.2

For government-owned or controlled corporations, the amount shall be charged against their respective corporate funds; and

5.1.3

For local government units, the amount shall be charged against their respective local funds. Said amount shall be provided for in an appropriation ordinance to be enacted by the local Sangguniang Panlalawigan/Panlungsod/Bayan.

5.2 Thereafter, such amounts as may be needed for the continued implementation of this Circular shall be incorporated in the annual budget of the agencies concerned.

6

Effectivity

The reallocation of position authorized under this Circular shall take effect not earlier than the date of approval of such reallocation.

Adopted: 12 Dec. 1994

(SGD.) SALVADOR M. ENRIQUEZ, JR.

ABOUT BATAS.ORG

Study smarter at BATAS.org

The Philippine bar review and law-school companion built around how your brain actually remembers.

The complete Philippine law library - free for everyone.

More than 100,000 Supreme Court decisions, Republic Acts, and executive issuances - full-text searchable, browsable by category and year, and always free. No paywall, no login. This PDF came from it.

Audio case-brief lectures.

Any decision becomes a podcast-style lecture - facts, issues, ruling, and doctrine - with read-along highlighting and a hands-free presentation mode. Study while commuting, working out, or resting your eyes.

Bar review built on the science of memory.

Complete, sequenced courses for all eight bar subjects, narrated like podcasts and reinforced with retrieval practice and spaced review - the study techniques with the strongest evidence behind them.

The full law-school curriculum.

One subscription unlocks the entire J.D. curriculum - every subject, every lesson, with your progress tracked down to the paragraph so you can pick up exactly where you left off, on any device.

Mock exams that tell you where you stand.

Timed multiple-choice exams graded instantly, with per-subject score breakdowns and focus suggestions that point you at your weakest topics first.

A study planner that keeps you on pace.

Set your schedule and BATAS tells you every day whether you are on track for bar day - and exactly which lesson to take next.
